2.	Notes of Meeting held 16 November	
	The notes of the PDG meeting held on 16 November were agreed as an accurate record.	
3.	Project updates	
	3.1 Southside	
	3.1.1 CD updated PDG regarding a number of issues to do with the Southside Project, including a projected budget shortfall of circa £250K.	
	3.1.2 CD advised that JN and the other involved project managers were looking to see if further value engineering could be undertaken in order to meet this shortfall. PDG discussed a number of options that could help to bridge the funding gap, but agreed to await further information from JN before any further action is taken.	
	3.1.2 CD advised that Belmont Wanderers' matched funding of £125K had now been confirmed for this year, with the potential for further bids to be made in the next financial year.	
	3.2 Encore	
	3.2.1 CD advised that the Encore Project leader (Cliff Woollard) is continuing to pursue a potential premises option in the city centre. Cliff will be asked to attend a future PDG in order to provide members with a progress update.	RR
4.	Communications	
	4.1 AA advised that a comms plan has now been drafted.	
	4.2 CD floated the possibility of creating a video about the delivery of the Towns Fund Project, potentially through crowd funding. PDG liked this idea but agreed that the objectives of making such a film first needed to be clear. If progressed,	

	procurement through a bidding process would be required. FM agreed to seek advice from Helen Bowden and Nic Millington regarding likely costs.	FM
5.	Any Other Business
